WATSONVILLE

Driscoll's buys lunch for kids

A \$7,000 gift from the Driscoll's Charitable Fund will support a summer lunch program at La Manzana Community Resources.

The program, open to children 17 and younger, will run mid-June to mid-August to fill in a nutrition gap when Pajaro Valley schools close for the summer. Working with the city, La Manzana also will lead physical activities at lunch sites throughout South County.

La Manzana is part of Community Bridges, which is seeking other business support for summer lunch programs. Contributors will be recognized with banners posted at lunch sites. Community Bridges also is recruiting volunteers for the

program.

For information, call Gabriela Lopez-Chavez at 724-2997, ext. 204, or visit www.communitybridges.org.
